TEACHING APPRENTICESHIP APPLICATION FORM

To become a TA for Social Psychology, you must have the following qualifications:

❶ You took Social Psychology and did well.
❷ You are a highly reliable person.
❸ You are deeply committed to student welfare.
❹ You are willing to put in a lot of hard work.
❺ You are a team player who has a positive attitude.

If this sounds like you—and if you will be free fall semester during 4:20-6:20 pm Mondays and 12:50-2:40 pm Tuesdays and Thursdays—please complete this form, attach a copy of your transcript (an unofficial Academic History off the web is fine), and email it to Professor Plous as soon as possible. He will then interview finalists and make an effort to let all candidates know the outcome by early April.

Name (print): _____ Phone: _____

Email address: _____ Class Year: _____

Semester you took Social Psychology: _____ Grade received: _____

College Major: _____

Please say a few words about: (1) why you would like to be a teaching apprentice, (2) any TA-related experience or skills you have, (3) whether you're sure that your schedule will leave enough time to serve as a TA, and (4) anything else you would like Professor Plous to know.
