Dear Oprah Winfrey Leadership Academy Foundation,

Please accept the enclosed check for \$150.00 as a donation to the Oprah Winfrey Leadership Academy Foundation on behalf of Chelsea Garbe and the other students in Dr. Jennifer Hunt's Foundations of Inquiry course at Buffalo State College.

The students in this course each contributed \$5.00 to a class grant fund designed to address an important social problem related to women, gender, or sexuality. Each student wrote a proposal that described a problem of interest and advocated for an effective solution. The students gave oral presentations about their proposals and then voted on which proposal should receive the grant money.

Chelsea made a convincing argument about the lack of education for girls in Africa as an important social problem and identified the Oprah Winfrey Leadership Academy Foundation as an effective program working on this issue. Although a number of other important problems and worthwhile solutions were discussed, there was a strong consensus among class members that Chelsea's proposal should receive the funding.

Our class is delighted to be able to support the Oprah Winfrey Leadership Academy Foundation, and we hope that you will be able to use our money to provide additional educational opportunities for girls in South Africa.

Sincerely,

Jennifer S. Hunt, Ph.D.
