

CO-BRANDED

Your organization's members can sign up for TurboVote through a co-branded website, custom embedded widget, or mobile site. We'll send you the contact information for everyone who signs up and let you know if they're registering and voting.

VOTER REGISTRATION

We'll check if your members are registered. If they need to register, we'll mail them a completed registration form with a stamped envelope addressed to their local election authority.

VOTE BY MAIL

For every election, from school board to presidential, we can mail your members a completed vote by mail application with a stamped envelope addressed to their local election authority.

TEXT REMINDERS

TurboVote will also remind your membership via text and email to ensure forms and mail-in ballots are returned by the necessary deadlines. And if your members want to vote in person, our text reminders make sure they don't miss Election Day.

OTHER TURBOVOTE PARTNERS

TurboVote is a project of Democracy Works, a 501(c)(3) based in Brooklyn, NY. Please contact us at partnerships@turbovote.org or call (646) 580-8683 for more information.
