

AMERICAN PSYCHOLOGICAL FOUNDATION

CALL FOR NOMINATIONS THEODORE MILLON AWARD IN PERSONALITY PSYCHOLOGY

About the American Psychological Foundation (APF)

APF provides financial support for innovative research and programs that enhance the power of psychology to elevate the human condition and advance human potential both now and in generations to come.

Since 1953, APF has supported a broad range of scholarships and grants for students and early career psychologists as well as research and program grants that use psychology to improve people's lives.

APF encourages applications from individuals who represent diversity in race, ethnicity, gender, age, disability, and sexual orientation.

Description

The Theodore Millon Award in Personality Psychology recognizes outstanding early or mid-career psychologists engaged in advancing the science of personality psychology including the areas of personology, personality theory, personality disorders, and personality measurement.

Program Goals

The Theodore Millon Award in Personality Psychology

- Recognizes individuals' outstanding contributions to the science of personality psychology as described above.

Amount

One \$1,000 award

Eligibility Requirements

Nominees must:

- Be a professional psychologist working in personology, personality theory, personality disorders, or personality measurement
- Have demonstrated scientific accomplishment in one or more of these areas

Evaluation Criteria

Nominations will be evaluated on magnitude of contributions to the award criteria, relative to the stage in the individual's career
