DARDEN SCHOOL of **BUSINESS**

Coding for Designers, Managers, & Entrepreneurs I

Coding for Designers, Managers, & Entrepreneurs II

Coding for Designers, Managers, & Entrepreneurs III

Aug 19, 2021

SAMAN ANGE-MICHEL GOUGOU

has successfully completed the online, non-credit Specialization

Coding for Designers, Managers, and Entrepreneurs

In this specialization you experienced what it is to go from idea to design to code. You are now able to build working software using HTML, CSS, and Javascript. More important, you have strengthened your creativity so that you can engage in digital projects across technologies and topics.

Alexander Cowan,
General Faculty
